

Minutes of the meeting held on June 6th 2024

The Meeting was opened by Jenny as acting chairperson

The minutes of last meeting were approved

Matters arising

Travel Vaccinations are going ahead as planned

Access is needed to new PPG email address by secretary

Practice update

Mark said that the COVID/flu vaccinations would start Saturday 5th October and would probably run for approximately 5 weeks with 7000 patients to be vaccinated.

He asked for PPG to help with ushering patients as before and maybe have a table by the door with PPG information.

He said he would like the pharmacy to go paperless but he knows this will take time and would like help of the PPG

He is hoping to have the plans of the Callington surgery extension soon.

Any Other Business

Laura-Ann has looked into the possibility of a designated disabled parking space outside Gunnislake Surgery and passed on information to Jenny to discuss with Jane on her return as it was she who raised the question on behalf of a patient.

Jenny and Linda thanked the surgery for inviting them to their half day training on Pain

They found it very informative and Jenny will write up an article for local magazines

Dr Early asked if PPG would like to attend a meeting with Dr Beks Magill at Callington Surgery so she could talk to us about the Health Hub that will be opening in Launceston. This is a joint project between Launceston Medical Centre and Tamar Valley Health Centre

Jenny will send an email to members

There being nothing more to discuss, the next meeting was set for

5th August in Gunnislake at 6-30 pm.
