It was noted that the NHS app was faulty. It will improve in the next couple of months. It may be available in libraries which will help with some people getting on line.

### **Treasurer's report**

JW said that there was no spending and no income since the last meeting.

### **Any Other Business**

The practice asked whether the team would prefer to have the meetings in the daytime instead of the evenings. The general consensus was that the evening was easier as most members go to work.

She also said that it would be a good idea to have posters up to advertise the group and the meetings as the 1<sup>st</sup> Thursday of every other month. She will design the poster.

The dispensary will have doubled its delivery by the end of the year.

The practice wants as many people as possible to be contacted by emails rather than letter. It is not only cheaper but more efficient.

People are still needed to help with the up-coming Vaccine clinics.

There being no more to discuss, the meeting closed. **The date and time of the next meeting is 5<sup>th</sup> December in Gunnislake at 6-30pm**
